

WIVH Valentine's Day Be Mine

For many people across the globe, Valentine's Day is an occasion on which people who love each other express their feelings by presenting flowers, offering chocolates, and sending Valentine cards. From the research we've done, Valentine's Day originated as a celebration of an early Christian saint, Valentinus, who performed marriages and ministered to the Christians of his day, despite being persecuted for his faith by the Roman Empire. If we reflect on this selfless act of ministry, we begin to see the portrait of what Christ has modeled for us as well. As you celebrate this holiday with your loved ones, remember to share Christ's love with others around you as well.

Remember to drop by and visit us at the 2015 VI AgriFest. This year's official theme for the Fair is *At the Heart of It All*. As you look for us in the little blue house by the livestock exhibits, keep an eye out for our "Home Improvement" themed display. Stop in and say "Hi!" and get your photo taken so you too can be pictured in *The Voice* showing your support of 24 hour Christian Radio, WIVH. There will be prizes for children and adults, too! Remember to visit us February 14th-16th at the Ag Fairgrounds!

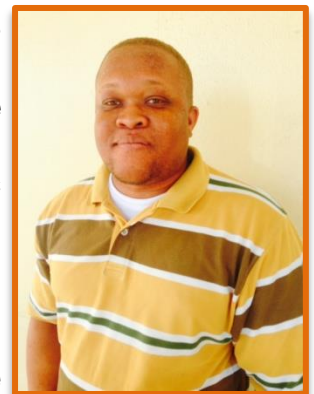

"Showtime"

Michele Blanco and her children, Naima & Taima

We have quite a few listeners who have already made Showtime part of their family routine. We'd like you to consider making it part of your schedule as well! Mark your calendar now for the first Saturday of each month of 2015, and come out for a free movie, fresh hot popcorn, and ice cold lemonade under the stars here on the lawn of the WIVH Studio. The feature film starts at 7:00pm. Don't forget to bring lawn chairs or a blanket to get comfortable. Many people say that their only regret about Showtime is not making it part of their life sooner.

Jesse Jackson says, "I listen to WIVH all the time." He is part of a local church, The Quality Life Center, which has used the free WIVH Public Service Announcements to promote the churches activities. If your church is hosting an event and would like to use this free tool, drop us a line with your event details at WIVHfm@gmail.com or call (340)718-2852.

"While all systems are operable both here at the Studio and at our broadcast location on Blue Mountain, our WIVH listeners enjoy seamless, 24-hour Christian radio broadcast," states Jon Bowman, Station Operator. *"It is only when this broadcast is interrupted due to technical issues, that many listeners actually realize how much they depend on their radio station to uplift, encourage, and brighten their days. During the recent difficulties that we experienced at our Blue Mountain installation, we received many calls from listeners asking 'Where is my radio station?' These calls are actually a form of encouragement for us here at the studio, reminding us of how many people are being ministered to by God through this radio ministry. If you missed the station while we were briefly off the air, please consider that the only way we can remain in operation is through your continued financial partnering. Without our listeners standing with us, there is no way that we could meet our fiscal obligations necessary to keep the Word of God broadcasting here in the Virgin Islands. If you have not yet joined this financial team, or would like to reconsider your pledge, please visit ww.WIVH.org and click "Donate Now" or call 1(800)245-3688.*

Thanks for being part of WIVH!

Miss Danica David is a local artist and a regular WIVH Listener. We know Miss David from several places on the Island, and it is fun to bump into her and other listeners as we run errands around town. We have met hundreds, if not thousands, of WIVH listeners through the years.

If you see us while going about your day, be sure to introduce yourself and remind us where we know you from, because it feels impossible for us to remember every one of our precious listeners. We'd love to know each one of you! Thank You!
