

## A Time To Meet Each Other

Frank Griffith, of Peter's Rest, was a visitor to WIVH's Shar-A-Thon. He is shown with Burl Updyke, WIVH Manager.

## 'Shar' Goal Still To Be Met

Jonathan Broscius, Shirley Updyke, and Burl Updyke are shown while hosting WIVH's Shar-A-Thon 2010.

### *Prayer & Praise*

PRAY: as WIVH clears up problems which have developed at the station's new broadcasting site.

PRAY: Many are facing tight financial circumstances and loss of jobs.

PRAY: that WIVH's Shar-A-Thon goal may, yet, be met.

PRAY: that listeners will tell others of WIVH's new location on the dial.

PRAY: for wisdom for WIVH's staff.

### Play The 'Sticker Game'

WIVH has begun a "Sticker Game." Everyone's invited to participate. The purpose of the game is to promote WIVH's new spot on the radio dial. Listeners are invited to pick up a sticker at WIVH's studios. They may be placed on their car window or bumper. They are free.

WIVH scouts are out looking for automobiles with the stickers and placing a card under the windshield wiper, which entitles them to a free CD of Christian music. The card should be taken to the studios where the winner may claim his gift.

Call 718-2852 for details and directions. A WIVH sticker may also be mailed to those requesting it. Have fun and join in the WIVH Sticker Game.

In preparation for the many changes recently made to WIVH, the station had been operating for some time at reduced power and many listeners were not hearing it. "It was only because of God's grace that Shar-A-Thon did as well as it did," said Burl Updyke, Station Manager. When it ended, \$5,705 was still needed to reach its \$34,000 goal. It is hoped that this amount will still be received here. Although past Shar-A-Thon's averaged about 125 participants, this year only 89 callers pledged.

Following Shar-A-Thon, work at installing a new transmitter at a better tower location was completed. Although there has been some difficulty resolving intermittent problems, the move has provided listeners better radio reception and the outreach of WIVH is greater than ever.

The improvements will mean greater operating expenses throughout the upcoming year, so meeting the Shar-A-Thon goal is crucial. Updyke said that for the past seventeen years, listeners have provided the finances necessary to operate WIVH and he believes that will be the case this year also. WIVH is a listener supported non-commercial radio station. A receipt will be sent for your tax-exempt gift. Thank you.

# At The Studios

Tiffany and Jon Bowman

A caller said, "I'm trying to tune WIVH in and you're not here!" "Are you listening on our new location on the dial?" asked Tiffany. Everyone must remember to tune to F. M. 89.9. We really need help to make this change made to listeners. There is a way for everyone to help us do this. That is to put a small sign on your property. The signs are free and may be picked up at the studios. Call 718-2852 and tell us you're coming.

Dolorita Messiah, Tide Village, reported that the new transmitter and new location on Blue Mountain, has given WIVH a fantastic signal and much improvement.

St. Croix's, Chris Millett was one of the first callers delighted with WIVH's improved signal. "I can now hear you inside my building."

On "Shirl and You," Anslma lala, paid tribute to both her parents and said her dad is always positive and her mother is gentle like an angel. Both of them live in St. Lucia, but visit St. Croix frequently.

Zorina Bethlemy said she believes since prayer has been taken out of schools, they have become the devil's workshop.

Terry Hogan, of St. Croix, helped us realize that some of those animals grazing in the fields may not be goats, but a specific breed of sheep. What's the difference? A goat's tail goes in one direction, a sheep's in the other. She said to Shirl, "Don't be afraid to eat goat. It's delicious stewed or curried."

It was "Go Barefoot In The House Day," and Shirl asked Alice Wise if she likes going barefoot? "I've never liked it," she said. Alice was a new caller to the program, she has lived all her life in St. Croix, except when she served in the military and then went to college. She is a retired school teacher.

Janice Grouby, Grove Field, was another recent, new listener. She came to St. Croix from Canada, to be with her father.

As we talked with Catherine Ferrol, F'sted, she said through hard times a person can find comfort and peace in God's Word.

Antonine Browne, Kingshill, wrote to say. "May the good Lord continue to bless you at WIVH as you keep spreading His

## "WIVH Is The Lord's Station"

Pastor Eddie Williams, of Community Baptist, and president of St. Croix Evangelical Association expressed his love for Christian radio station, WIVH and its music. "It's the Lord's Station," he said.

Word. She is a constant listener and supporter of the ministry and enjoys Show Time.

Show Time is held at the studios the first Saturday of each month and features good family viewing. A children's film is shown first, followed by the main feature. There is no admission charge and beverage and pop corn are free.

"Thank you for your great programs that encourage us to walk with the Lord. Sometime we lose focus or get discouraged and the right words or a song, heard over WIVH, is just what we need to be refreshed and refocused, wrote Frederick and Trina Barrant.

Thanks to so many listeners who encourage us to press on here at WIVH, the Lord is good.
